## Dishgardens

Plant Arrangements in Pottery

### DIXIE GARDENS

made mostly of moisture-loving miniature foliage plants, with Sansevierias and Succulents.....1.50, 2.50, 3.50, 5.00

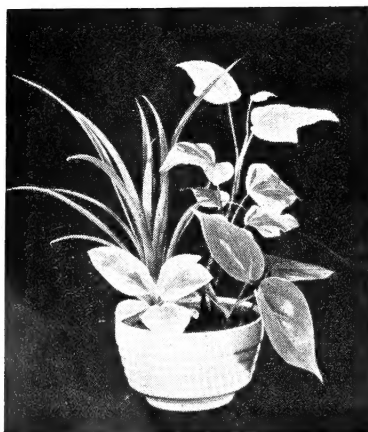

### CACTI in POTTERY

California Desert Scenes of long-lasting colorful Cacti and durable Succulents .....

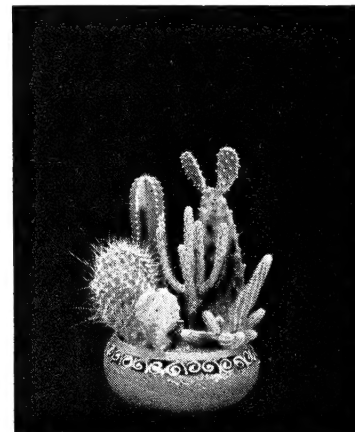

### BROMELIA Arrangements:

Exotic Bromeliads with other tropical plants; will keep as well as they look unusual.....7.50, 10.00, 15.00

While we will pack as carefully as possible, Dishgardens are often shaken up somewhat in shipping, but these can easily be repaired. In case of serious damage or breakage, claim should be made to express carrier. Air-freight shipments can be made from Los Angeles Airport to points where such service exists, and we will be glad to inquire for you.

We consider Quality and Reliability to be of more importance than mere price—and on this basis hope to merit your continued business. Should we fail to satisfy you or make a mistake, please tell us about it so we can correct it; and if you wish, return such shipment at our expense. Express shipments damaged or frozen in transit however, are to be reported to Express agency for claim.

This offer is made subject to crop shortage and market changes. Prices include packing. 1000 (M) rate applies on 500 plants or more of any one assortment or individual variety.

Where 1000 rate is omitted, stock is temporarily limited and is offered at 100 (C) rate only. Plants are shipped bare root—though well packed. If not instructed otherwise, shipments travel express collect, F.O.B. Los Angeles.

We are growing numerous varieties not offered in this list, and which we use to include with our various assortments. If we do not list what you wanted, kindly let us know and we will try to supply you, or advise you promptly—this is part of our service.

COME AND SEE US: We are located two blocks East of Sepulveda Boulevard on 2nd Street, Manhattan; 18 miles from Pershing Square. Pacific Electric from Subway Terminal, Los Angeles to Center Street, Manhattan; Taxi to Nursery.
